Love Me Sinfully

Beginning

We were concerned when we lost track of the prince.

And..

Follow me.

You look far too much like him.

Why does he keep staring at me?

Oh, oh I looked him in the eye

PWT

Which is why we have a favor to ask of you

He's laughing at me!

We called you here today for a reason

As you can see, you and Prince Carlo share very similar features

We would like you to take the Prince's place for the next four days

Huh?!

Are you listening to me?

You'll how may I help you?

I shall put straight to the point

Now that I see you up close, the resemblance is truly remarkable

What a surprise!

Uh... yes, I was surprised, too.

No oh—

Are you well?

What? Oh! Yes, sorry

jump

Forgive me for not introducing myself earlier. My name is Ian Lee, I am Prince Carlo's cookbook

This is Prince Carlo's primary body guard, and my job

Pleased to meet you

So, he's a bodyguard

Please, don't stand on ceremony

And how is that, I'm sure you're tired of standing

Uh...

Yes sir!

You would, of course, be compensated for your efforts.

Not a chance!

I don't want your money!

You want me to put my life at risk?

That... would be the bottom line, yes.

Excuse me, but I'm going home.

Pf

The Highness is a special for refugees status is strictly classified information.

Given what you know we cannot guarantee your safety if you leave here now.

I am afraid we cannot allow you to leave like this.

It's a miracle that we were able to make it here safely.

and the Japanese consulate has been overrun by extremist factions.

Quite, the prince's country is embroiled in a civil war,

Um...

This is a diplomatic visit in name only.

Prince Corbin's true purpose for coming here is to seek political asylum.

What do you mean?

In four days, when we meet with the Prime Minister, we shall make our appeal for refugee status.

You're asking me to be his body double?

Until then, we cannot allow the Prince to come to harm.

Rest easy.
You are in good
hands.

I do
know.

I know!

You just focus
on acting like a
proper girl, or
you don't drag
the rest of us
down.

Why do you
think I'm so
nervous?

No.
This is
my job.

Aren't
you?

You'd
throw your
life away
for a job?

That's
not
normal.

I'm a
professional.

Maybe
not to
you.

Besides,
I don't make
mistakes that
would cost
my life.

Scared?

Stopped shaking yet, boy?

B-DAD

He did it on purpose.

Don't call me "boy"—

Still... it's astonishing how much you resemble the prince, especially in those clothes.

We don't know what the extremists might try.

Pay close attention to your lessons.

Keep your responses brief and simple. Dad will back you up.

You think so?

Only on the outside.

I'm scared.

...

do you want me to sleep next to you?

If you can't fall asleep alone,

No thank you!!

I can tell you're scared.

Our greatest concern is for your safety.

Please try to endure.

We have no other options.

So please, for my sake...

Fear not.

Ugh, I'm so tired...

I can bear it for you...

I want this, too.

Yes.

Good is accompanying him as a precaution.

However, I do not expect the servants to do anything foolish.

I see.

Did he leave...?

So we are to be confined here for three days... how tiresome.

I feel stifled already...

We should not have involved them...

When this is over, you must give him our thanks.

As Your Highness wishes.

Brad?

Princes say it all the time.

Sure.

And do you fancy yourself a prince?

He just needs a little discipline...

Heigh

Here is the food you ordered.

GRAB! We are dining!

Thank y—

That little punk.

21

And I shall attend to him.

Don't concern yourself

Should I bring something up?

You've taken this too far...

Buying into your own hype, I see?

Princes say that kind of thing!

This fool doesn't know when to shut up

He neglected asked me personally

r4p

Why don't
I help you
with that?

...hot...

My
body's
burning

Ahh!

Nhh...

Such a
roughly
expression.

Looks like
you're done
this before.

WEE!

PULL

Don't...

Mmm

UGH

Pwhaa!

hee

guh

Nhh...

clink

What
did you
give me

UGH

Prince
Carlo
downs it
like water

Can't
hold your
liquor,
boy?

High
proof
alcohol

I might be a
little in love
with this man.

Well,
if you
must, I
guess...

I'll let you
protect
me for a
little while
longer.

I can handle having
this insufferable man
at my side until then—

Three days left until
the prince makes
his appeal for
political asylum.

I failed to find
a date, so he
brought me to
the edge again
and again.

Ahh

And after
the alcohol
had run its
course, he
took me
once more.

But even now,
with my eyes
wide open, I
feel no hostility
towards him.

Lit...

I should be
angry about
this.

But instead—

LOVE ME SINFULLY

Watch
your step,
Yuu.

But then
I met this
man...

Please
make
me...

I might
have gone
a bit
overboard.

I'm
actually
a native
of Japan.

GAAH
!!

Two days
ago, I was
just another
high school
student.

and fell
in love.

Thanks.

LOVE ME Sinfully

Conclusion

pull

What are you?

Give me your foot.

I know you hurt it when you tripped this afternoon

His pride makes him overreact, but his heart is kind

So I don't bring myself to dislike him

It doesn't hurt.

I only sprained it a little.

Don't argue.

Hold still.

Maybe he was only toying with me yesterday too

My life would be so much easier if I could just hate him

I thought he'd never stop talking!

I'm so

Sigh—

not tired!

I think God that's over with

!!

You just don't know when to quit.

Or... maybe you want to be punished?

This guy always gets a kick out of messing with me.

I was kidding.

What are you laughing at?

I'm
hopelessly
enamored
with this
man.

My
affection
for him
grows
more and
more.

DATE

Right..

Hmm...
you're more
tired than I
thought.

Bro..?

It's me,
lon

Pardon
me

Thank
you

I wanted
to speak
to Brad
for a bit
about—

No,
everything
is well in
hand.

Is
something
wrong?

Your
face is
red..

The
warmth of
his hand
stroking
my hair.

the
rumbles of
his low,
gentle
voice..

You'll
live..

Are
you all
right?

I don't
want
anyone
else to
have him

I'll update you
on tomorrow's
schedule in the
morning

Right

That
was
close

Yes, go
ahead
and rest

We will set
our departure
date when this
is all over

His Highness
will go to
America.

In your
capacity as the
head of security,
we would of
course like you
to accompany
him.

Someday,
after the
appeal for
refugee status,

P1

One more
thing.

...To
America?

Draden
on

Which, if
you're going to
go by, would
mean I'd be too...

"What am I
thinking?"

Brad won't
only worry
about me.

I thought
he was
going to
leave me

You
are...

What's
wrong?

You look
spook. Did
something
happen?

broader

Brad?!

"Please
keep that
in mind"

PLEASE

I under-
stand.

"Yes. We've
verified
it."

Their activity
has picked up
dramatically
in the past couple
of days...

They may
be planning
something

Has this
been con-
firmed?

But it's
almost
like I
wanted
it to
happen
again.

Mrs...
mhm...

PULL

...what are
you doing?

Brad ...

I guess
I still get
nervous
when I'm
alone.

But when
you're around,
I can sleep
without fear.

I thought
you'd be
sleeping.

Yeah,

I couldn't
fall asleep...

Why is my
heart breaking?

It doesn't
matter.

What
happened
is this...

Ah...

Why do
I feel
conflicted?

Yes?

...?

And tomorrow, the game ends...

Tomorrow, we finally meet with the Prime Minister

When we arrive at the hotel, I will fill you in on the details

That wraps up everything for today

I'm just a guy to him, playing at being a prince.

Two up...

You?

Brad won't be there...

Are you okay?

I can return to my normal, everyday life.

What's wrong?

I won't be obligated to protect you after that

Brad only thanks of me as the prince's decoy.

I will accompany him

We won't be in Japan for much longer.

His Highness is going to America once he is granted political asylum

I already knew it would end like this

Forget these last few days.

That's the best choice for you now

What is this?

Why are you picking up speed?

!!

Please don't move, sir.

If you behave, we'll arrive in no time.

!!

WARRNN

I CAN'T ACCEPT THAT!

Brad

What is it?

I want more time with you.

L

Good thing ending of relationship

I'm--!

I don't want to be used like this!

Take your hands off of him!

Let go of me!

No!!

No!!

Still

You bastard!

CLATTER

OH NO!!

I'd prefer to spare His Highness any violent displays

Brad...?

Step out of the car please

Any resistance will be dealt with severely

Well, that makes our job so much easier

Bring His Highness to the car

Tch...

Who would have thought that security would be so lax?

We even caught Prince Carlo's personal bodyguard off his guard!

Brad?!

You're going to catch a cold

sleeping like that

Atten

Atten

Scott
He's asleep...

You idiot!

How can you worry about me when you're the one confined to a bed?!

I kept wondering what I'd do if you never woke up again

I didn't think of catching a cold

Heh...

Mm...

hee

...?

Where am I?

Yuu...

I remember being shot and then...

I'm in
love with
you,

Yuu

Brad

You're
always on
my mind...

Yuu

Brad -
I love you

I love
you so
much...

I wasn't
scared
at all

And
you,
Brad?

Say the
words...

I knew
you were
with me...

I knew
you would
protect me,
so I wasn't
scared at
all!

Don't just
say that you
care about
me... say it
for real!

I love
you.

Super popular
girl in the way
or I think it
must be their
fate not to
meet.

I couldn't
decide what
he was off,
since I've
been to being a
normal citizen.

All I
have to
remember
that boy is
a letter
from
Prince
Carlo.

He's
gone.

Well.

The next
day, Prince
Carlo made
his plan for
political
alliance and
left for
America.

Thank you for everything.

Thank you for everything.
I can say it.

A Soul
In love

Yuu...

I know that I can never repay the kindness that you have shown me...
I know, with you that I know of my gratitude.

Ha?

I think that, from the bottom of my heart, that I love you.

Brad...

Ah...

End

Let us
remember
one another
in prayer.

Amen.

God is
with
you.

Please
remember
that you have
a meeting with
Mr. Carter in
three hours.

It is
imperative
that you

I know.

Perhaps it
would be best
to take a
bodyguard
with you.

Don't even
suggest such
a thing in a
house of God—
I'll be fine.

Amen.

God bless
you, Mary
Anne.

Have
a good
day, Father.

Be
careful
on the
stairs.

Yes,
I will be
careful.

Bring
the car
around
in two
hours.

As you
wish,
Sir.

But...

Father
Hartmut.

And please,
none of this
formality.

"Josh"
will do.

Then...
"Joseph".

If you
insist.

In England,
there's no
one who
does not
know his
name.

Joseph
Raymond
Member
of Parliament.

Of the
Labour
Party, he is
among the
young up-
and-coming
favorites.

I'm just
not
true.

You're like
an entirely
different
person from
a year ago.

Mr.
Raymond!
Are you
here for
a visit?

Yes, I took
some time out
of my sched-
ule to come
see you.

You
seem to
have taken
well to the
priesthood.

to intrude
on these
holy
grounds.

No,
I don't
want my
private
life

Is no one else
accompanying
you today?

Too
with Father
Hartmut?
It would be
a pleasure.

In that case,
will you join me
for tea, Mr.
Raymond?

I don't
know if it
will be to
your liking
but

One your
contributor.

This church
would have been
torn down long
ago without
your support.

Countless
people owe their
livelihoods
to you.

A local priest
introduced the
organization.

One would
say I have been
a good support.

There's been a
lot of people here
and around the
church.

By the way,
I read an article
about your work
with the Rosh
Orphanage.

His father
was also a
politician,
but he still
speaks for
itself.

He's
popular
even
with the
working-class
men.

Yes. When
my wife was
still alive, she
visited to them
regularly.

Not only so,
they have some
financial difficulties
lately, but they're
also not in need
of anyone due to
the economy.

That's
preposter-
ous.

You're an
inspiration
to us all.

So anything
more than early
campaigning
for the next
election.

Though I
suppose the
media won't
see my
actions.

I-I...

No...

CLATTER

Strike

What is the matter?

You seem distracted to something on your mind?

Heal!

Russel

You cut your hand. Let me take a look.

CRASH

Careful

Are you hurt?!

No, I'm fine

Is there anything to the pastor here?

I've come to thank him for taking care of my wife before she passed on

Truly, I can't thank you enough

Unlabeled door

CRASH

Aggravated through the door

Good thing - looking in the house the entrance of his wife's color

Mr. R. phone was about surprised by the patient's demands to take a look

Have you ever wanted to touch someone?

When someone touches you?

Are you uncomfortable?

...That's right. You grow up in a monastery.

L

R-DMP

What am I thinking?

You're blushing

Good

The cut isn't very deep

I can't let the wound heal properly. I'll have to keep it open.

Rusty

I have devoted my life and body to Him.

I am a servant of God before I am an individual

When you look up, you don't see a life on the cross.

I'm sorry for the fuss.

Rusty?

My heart is so full of love.

Don't you think?

But we should clean the wound just to be safe.

Ahh...

The feeling
of your
lips...

Yuu

PULL

Haa...

Quietly...

Well?
What do
you think of
your first
kiss?

Mm...

Raaa...

Would you
condemn
me...

If I told
you I
wanted
you right
now?

?!

Joseph...
I think I saw
a flash just
now.

But—I

Let him go...
fortunately, he
didn't catch
you on fire with
me in the way.

Just be
with me.

Ah...

I don't
care...

We can't
let him
go!

If we don't
stop that
reformer, your
reputation will
be ruined!

Ah...
Hah...

I cannot take
my eyes off
of that man.

For 33 years,
I have protected
my children
with my own
life and soul
purposely.

Twice

Twice

Ah...

I know that
going into lust
is a cardinal
sin—

Hah...

Hah...

But
even so...

Run...

Please,
don't look
at me like
that...

Please,
God...

opens
him Your
redemption.

You have
been...
forgotten
by God.

Though I
forbid
for...
have...
man, I will
him all the
same.

Dear
Lord,

Surely not
even God will
forget this
trespass.

Please...

I did not
come what
happens
to this...

This...
to...
should
be...

Joseph

Good-
bye,
Russ.

I promise
I'll come
again.

Why...

Why do you
have to make
the sacrifice
plans?

True to his words,
he used his power
to keep anyone
in the article from
going back to me.

Just as Mr.
Reynard said,
my face won't
be any of the
pictures.

The church
wasn't even
mentioned.

How can
they do
this?

I am
gay.

My wife
and I shared
nothing more
than a physical
relationship.

Calm
down,
Rusty.

Sir.

But—
you don't
know for
sure if I—

To be
honest,
I'm tired
of hiding.

Ever since I
entered politics
and married my
wife... I have been
lying to myself.

That said,
I don't want
you to feel
guilty, for re-
sponsibility
is mine to bear.

Looking
back on it now,
I think all the
donations I made,
were at least in
part an apology
to her.

Even now,
I regret the
decision I
did for.

I should
never have
married a
woman I
didn't love.

In the name
of the Prince
of Wales, and the
King's Speech, let
me ask you
what to choose?

Anson.

Welcome,
my child.

Joseph...

That
word...!

As you may
know, I'll most
likely lose my
Parliament seat
in the next
election.

Please,
stay there
and just
listen.

I am no longer
qualified to
judge the sins
of others.

Rusty?

Rise

My
ability to
stop thinking
of you.

and the last
for you I
can't shake.

Dear
Father

At...

I love you.

Oh...

Please

Wait!
Please...

Even
if that
means
losing
your
love.

If I were to
confess my
love to God,
I would beg His
forgiveness for
two things
only.

I'm
going to
leave this
love and
start over
again.

That's why
I won't be
any more.

I betrayed
the trust of
the people
closest to
me.

All be-
cause of the
secrets I
told myself.

I fell in love
with you the
first time I
saw you.

From the
moment you
welcomed me
into your
church, I was
lost.

This feeling
defines
everything
I am now.

Here?

Min...

Yo—

You like this?

No. Put it back!

No...

Rusty, come.

Let me love you.

Ah!

No... I can't!

Louder. Let me hear you.

Yess— Right there!

SUPPLY SQUEE!

Ah...

Josh

Nin

Ahhh

You finally called me that

hoo

Hoo

Nin... ah!

Nin...

Hoo... ah!

Ahhh! mm!

Rusty

Thank you.

Ah!

PULL

He's gone
got you!

!!

Be
careful
Epi-
choo!

Behind the
door down,
you could
see an old
man's place-
warehouse

What
I have
seen

There was
this huge old
house in a
corner of the
village

There's
where the
kids go

He had
the right
to go on
and on
and on
to the
end of
the world

Looking
for some-
thing?

For
there

There's
where the
kids go

Run
for it
Epi-choo!

!!

It's him!

As long as
I know you,
I know
everything

This is
the soul
in love

lost off

Pretty
big for a

I could only
see the roof
as a hut

There
it is!

I was just
wondering what
a magnificent
house this is
and thought
so...

I can
explain
I'm not a
bad guy!

Wait!

Traveller

Again

Excuse
me...

May I
help
you?

Hm?

...How
what?!

The

Incredible

...to
see this
resemblance
to the
experience
for my
novel

I remember
a warehouse,
too...

It's just
the way
it was
when I
left...
Come up
here

Amongst moved like towns.
For medical reasons during my first year of middle school.

Planned to meet you

My name is Wassome Anagi!

Take your seats

We have a new student joining us today

I remember now!

I'm sorry I still feel bad about that.

That's how he got the nickname "Ghost"

Why?

It was a long time ago.

Besides... you at least called me by my name...

Even in the middle of summer, his skin was likey white.

I expect you all to get along!

Man...

I never thought you'd still be living in this town.

Heck, I didn't even know you used to live in this huge house

I kept it a secret after I found out that everyone was scared of the place...

They already had enough reasons to treat me like a ghost

Wassome-kun? Is that you?

Ha?!

I'm sorry...

How did you...?

I know it—

!

Most houses don't come with a storage building.

It made this place seem even creepier.

By the way, do you still use that warehouse?

What are you talking,

everyone was repeatedly scared of the warehouse.

?

Huh.

We don't use that warehouse anymore.

I still can't get used to it after all these years.

Yeah -

It hasn't been opened since my grandfather passed away.

I can't find the key—

He passed away...?

Yes.

Eight years ago.

Also, I don't live here anymore. However, I really care.

To come back in the future...

because my grandfather left the house to me.

What ever kind of a guy will be employed at my age?

I'll never admit it.

What about you, Shizuka?

Now we're carrying a lot of luggage. Did you just get out?

I didn't know.

U-uh, yeah!

I got some time off, so I thought I'd come back and pay home a visit!

I thought so.

Are you free tomorrow, Mitsuo?

Would you like to go back?

Even so kids, I thought he had a beautiful smile.

Don't you dare talk back to me, young man!

I can't help it if the company goes bankrupt!

It's not my fault!

Next time, you come home straight from the station!

Look at you! Losing a job at your age!

You're a disgrace!

Kiyoshi hasn't even back in ages...

Chill out, Mom!

How sure?
if you have
things to
do...

I'll be
fine
probably

It's no
trouble,
I wasn't
waiting
very long

Let's
go!

My man
caught me
on the way
out

Sorry,
I'm
late.

What
tree?

Remember
that tree?

It's
incredibly
cool to...

It's
the
best

sit under the
shadow of that
tree and watch
everyone
during P.E.

Because
of my weak
constitution,
I used to

This place
hasn't
changed
either...

Misaki

Look

I'm glad
you're
gone

Again?

You're
going out
again?

promised
to meet
up with
someone

I'll be
back
taught

Amazing!

Thanks for
stopping in.

Naama

No
problem

Glad to
have you
home
again

Welcome
back!

Thanks

Yup...

That day.

I never thanked you properly.

Thank you.

Huh?

Your friends are really worried.

You don't need to thank me for something like that.

Mh. ok. My heart is beating faster.

I have a suit string!

Liar!

That's not true!

Oh, so that's why he always sits in the shade.

hey Ghost!

I bet you really are some kind of ghost since you're so scared of sunlight!

Apologize to Amagi.

You still remember all that?

Stop acting like a pair of morons.

Bye, you two!

But
Amagi's
cool hand
didn't get
any
warmer.

so I held
on to it
the entire
way back.

Right.

You'll
still be
here,
right?

Heh!

Yeah, of
course

Then why
don't we go
together?

It'll be
about time
when I didn't
want to be

I just
realized
something

It's almost
time for
the Winter
Festival

Even back in
middle school,
we'd hit it off
really well

It's like we
were friends
from

Unintentionally
spending all
my spare time
with

Goodbye!

Heh!

Your
hands are
just cold.

How long
did you
really
wait?

I'm sure they
reflect the
warmth of
your heart.

I always
knew you
were a
sweet guy.

Hehe!

You're
delicious!

Let's go
back.

GRAB

Your hands
will warm
up faster
if we hold
hands

My name

I forget
I can't even
write a proper
essay...

I thought a
novel would be
easy enough to
write... even for
a beginner?

Oh
yeah,

I never
asked
Anagi
about his
job

I never
asked
anything
about him.

I
don't

But I want to.

Even the smallest details.

I want to know
everything about him.

Anagi has
always been
something
a mystery.

who else
would I
rather go
with?

What
do you
mean?

You
don't
want
to?

But you
are more
mysterious
than I am?

I've never
been before,
to tell the
truth.

Around this
time of the year,
I'd usually be at
home sleeping
off a cold.

Inter-
est-
ing.

Hey, what
are you
working
on?

I always
assumed it
was dis-
carded.

One of my
classmates
from middle
school spends
his winters
there.

In his
replying
that...?

Oh...

So someone
actually lives
there.

You do
know I want
to know
everything
about you.

Not
telling.

Yeah,
it was.

That
was fun.

Misaki
=?

That's not
the way
home

It's a
shortcut.

C'mon

?

I can feel his
hand, cold
and real,
in mine.

Let's
go..

Shirayuki
can't I know
the way
back?

Sorry

It was
nothing.

Are you
sure?

After a short time...
I thought he
was going to
leave again.

Pl

Misaki

Misaki
..?

What's
wrong?

You feel
being
stupid.

Is
everything
okay?

Just
fine.
Anyways.

we don't
want to
get
split up.
Give me
your hand

Hub?

pull

SURPRISE

PI

Among...

Misaki

hey

Ah...

He he
tobehh~
Would think
they'd be
too cold
for that.

Well...

We should
get going.
Wouldn't
want you to
get sick.

Har?

They're
still a lot
prettier than
what you see
in Tokyo.

I'll bet.

There
weren't any
strange things
back then, so
you could see
the stars really
clearly.

I used to
take this
back road
as a kid.

I water
flowers.

Wow!
There's a
path here,
too?

This place
looks like it
"occasionally"
spit up
night.

I can't
believe I
forgot!

Not good.
We have
to get out
of here!

We can't
escape!

What
—PI

What
have I
done?!

FROZEN

If we go any further,

I can't promise that I'll be able to stop myself

Me

No... hhh...

If you want to stop, you're going to have to tell me now

I won't ask you to...

SHUDDER

God, don't say that kind of stuff...

SHUDDER

Please... hurry...

I'm not... reading this the wrong way, am I?

Amagi

I'm probably just flattering myself but...

In this... about a glass...

Amagi

After all... I'm practically throwing myself at you

Go ahead.

It hasn't been open in nearly ten years

Why

is the warehouse door open?

It...

couldn't be...

Ugh

Amag vanished without a word...

BADUMP

This can't be happening

But what if it's true...

It's just a phony ghost story.

This is not the time to be remembering old rumors like that

Besides, it's just a stupid story that some kids made up

Gah!

Sigh...

That's where the warehouse is

That we can't let go like children and adults here in Hoshi will destroy

Don't scare me like that

Little kitty

Go

that was gold?

What is it?

BADUMP

BADUMP

BADUMP

Jessie

BOO

Myuuuuu

It was just my dream cover-motives integration.

30 minutes
a plenty of
puppy love

Misaki...

Oh well

Ahh...

Today,
you have a
recording
session
planned in

For me...

MISSION OF THE
YELL BANG
PUBLISHING HOUSE

It was
found sandwiched
into a book when
we strengthened up
his grandfather's
library.

But the
war doesn't
end?

Amagi's
new novel
went on to
become
another
best seller.

There was
a simple
explanation
for
everything

Amagi
himself

Gottlieb

We just
can't
help it.

He's
getting a
pay cut
when this
is over.

End

In place of
the over-the-top
Shinobu scene,
I took on
the role as
Amagi's
cousin's son.

Amagi
himself

How am I
supposed to
react when you
say things like
that?

I got all
mushy when
ever I'm with
you-

Can't

You've got
a speech to
give. C'mon,
stop clinging
to me.

Stop
listen up

His always
looking so
strong...

BEFORE DAWN

DARK OF THE NIGHT

The fact is...
we live in two
different worlds.

nee

I bet the film
he's looking at
now would be
nothing but
gibberish to
me.

nee

Um...

nee

Sir?

But it's true...

Raw talent
built on a solid
foundation.

He's a born
leader —

There's a world of
difference between
him and a high school
graduate like me.

I think he's
repeating
something
about me.

Yes, sir.

Some big wig on TV
called him a young-
revolutionary of the
corporate world..

You must have been tired.

Have you been getting enough rest?

I don't have time for that...

My schedule doesn't allow for any breaks.

Please.

Oh, Thanks.

And asking about my mental health!

I don't remember last night's sleep.

Please use the time in the car to sleep, like today.

If you don't take a break once in a while, you're going to collapse.

Yes?

Wait.

Sir...

Thank you.

Please come get me tomorrow at 8:00.

STING

ING

But...

These that started me.

I didn't think he'd fall asleep with papers in his hands.

Oh shoot! That's real!

He's asleep..?

He?

Did I just...?

We've arrived, Sir.

He's asleep.

I wonder
if his falling
asleep

means that
he can let his
guard down
around me...

Thank you,
Koshiro...

I'll never
say it to
his face...

He said
"thank
you"...

but... I'm glad
it's not as stern
as Koushima.

Over the
next few days...

I learned a
number of things...

Kikiki
Koshiro... what an
amused
guy

No.

I've
over-
stepped
my
bounds!

I-I'm
sorry!

I think I'll
take your up
on your
offer...

Thank you,
Koshiro.

He looks so
much better
when he's
smiling

I'll keep
the drive as
smooth and
peaceful as
possible!

If there's
anything else
I can do, just
let me know

Why could this be? It's still too early for him to be calling.

He's wearing a seat belt.

I should have known.

He's still a man, even if he's usually rather unreasonable.

With his looks and status, it's no surprise that he'd have a lady friend.

The room number.

Hello?

Is this Albe's third floor?

Would you mind coming to get him?

He passed out a moment ago. He's currently resting in the hotel room.

I'm only wearing a hotel gown. I think that's fine.

I can't believe I thought he let his guard down, passed out.

I mean he passed out. I'm just his driver.

I thought I was special.

I want
you to be
able to relax
around
me...

You
know, it's
strange...

I can sleep
peacefully
with you
nearby.

you've been
getting past
my defenses
from the day
we met.

Usually I
can't sleep
when other
people are
around, but

I'll do as
you say, so
will you get
off of me
please?

Oh
Sorry!

Fine.

Give
yourself
a break!

Please.

...if
you're ever
exhausted or
frustrated,
you can talk
to me.

Um...

I'll be
right here
if you need
anything.

so take
as much
time as
you want.

Why did
you kiss
me?

Did you
drink so much
that you're
mistaking me
for a woman?

It was no
mistake.

That was
pretty cheap,
considering that
you kissed me
without asking
if I was willing

I don't know
if you're
brave or
just stupid

I think
--

??

I love
you.

I kissed
you...
because--

push

Koshino...?

Forgive
me.

cha

I lose my self-control whenever I'm around you

That has never happened to me before

Ser...

Don't call me that!

I have a name!

Is she blushing?

Well... this is awkward.

But I want to be special in your eyes, and I always hope to myself that no one else knows what you look like with your guard down

I don't really understand myself either

What the hell do you mean, "you think"??

I'm sorry!

Masato...ser.

It suits you

I don't want anyone else to have you!

but after that kiss, I know it for sure.

I know this isn't fair to your fiancée,

LOVE ME Sincerely

Epilogue

It has been a month since Prince Carlo's plea for asylum.

Brad found a new client to guard and has been hard at work in Japan.

He came me to cancel his plans with her.

Then the paparazzi caught wind and...

Regrettably, I'd let the gossip I'd heard lead me to the wrong conclusions.

Actually, the lady was the CEO's lover.

I can't believe you trust everything you read in those stupid tabloids!

Don't get ahead of yourself!

I'm very sorry.

Does this mean that we're no item now?

So...

End

Very well.

You can have a taste.

Hm...

I can taste it black.

Stop treating me like a kid.

Although...

Just five more minutes.

At least make a token effort to get up.

If you don't hurry, you'll be late for school!

Yuu.
Time to get up.

It's better...

Finally awake?

Mhm...

I smell coffee.

PEEK

yours has plenty of cream and sugar

Ready to get up now?

I made a cup for you, too

Although...

Yes,
sir.

A little
happiness is
the least he
deserves...

for what
we asked
of him...

That
reminds
me, Jan.

Oh

Can you
teach me
Japanese?

His grammar
is appalling as
usual, but his
happiness shows
in every word.

I want to
be able to
tell him
that...

I am
happy
too.

If you're
always
translating
for me,

I won't
put my
feelings
across.

Jan.

When did
you get to
be such a
little man?

Not
quite
—

Eager in
the mornings,
aren't we?

Your
tea is
ready.

Thank
you.

Your
Highness.

I seem to
remember
you're the
one who
taught me.

Is that
the letter
from Ori-
san?

It is.

Carlo.

Dear Prince Carlo,

I wish you every happiness

I only work quickly enough to publish one or two one-shots a year in the magazine "Gully" as when it comes time to package everything into a single book and read some of my older writings. I really understand what it means to ask to "distill from the past." So, in the spirit of hard work and diligence, I gathered up all the hopefully lost parts and reprinted I really say: They
